ABOUT THE COURSE

What this course covers

This diploma follows the filmmaking process from idea and script to shot planning, camera work, sound and editing. Each stage builds towards a short film that you plan, shoot and cut during the course.

LEARNING OUTCOMES

By the end of the course you will be able to

- Break a script into a shot list and schedule
- Operate camera, lighting and sound for a scene
- Edit footage into a coherent sequence
- Complete and present a short film

HOW YOU LEARN

Online, with structure and support

Recorded video lectures

Watch lessons at your own pace and revisit them whenever you need to.

Live interactive sessions

Scheduled sessions with faculty for questions, demonstrations and reviews.

Practical assignments

Hands-on tasks after each module so you practise what you learn.

Study material

Notes, reading lists and reference sheets for every module.

Projects

Module projects that build towards a final piece of work you can show.

Assessments

Quizzes and reviewed submissions to track your progress through the course.

WHO CAN JOIN

10+2 in any stream

The admissions team confirms the latest eligibility during counselling.

WHAT YOU NEED

A smartphone or computer with a stable internet connection.

Some practical modules may need basic tools or software; these are explained before the batch starts.

CURRICULUM

5 modules, from foundations to a final project

Each module combines recorded lectures, a live session and a practical assignment.

01

Film Language

Shots, angles and movement | Visual storytelling | Studying scenes from films

Outcome: Analyse how a scene is built from shots.

02
