ABOUT THE COURSE

What this course covers

This diploma takes you through the interior design process: measuring a space, drafting plans in AutoCAD, applying vastu principles, choosing a style and specifying materials and lighting. Each module ends in a sheet for your design folder, reviewed with faculty in live sessions.

LEARNING OUTCOMES

By the end of the course you will be able to

- Draw measured plans, sections and elevations to scale
- Produce room layouts and drawings in AutoCAD
- Apply space-planning and vastu principles to a client brief
- Present a material, lighting and furniture scheme

HOW YOU LEARN

Online, with structure and support

Recorded video lectures
Watch lessons at your own pace and revisit them whenever you need to.

Live interactive sessions
Scheduled sessions with faculty for questions, demonstrations and reviews.

Practical assignments
Hands-on tasks after each module so you practise what you learn.

Study material
Notes, reading lists and reference sheets for every module.

Projects
Module projects that build towards a final piece of work you can show.

Assessments
Quizzes and reviewed submissions to track your progress through the course.

WHAT YOU NEED

A smartphone or computer with a stable internet connection.

Some practical modules may need basic tools or software; these are explained before the batch starts.

CURRICULUM

5 modules, from foundations to a final project

Each module combines recorded lectures, a live session and a practical assignment.

01

Foundations of Interior Design

Elements and principles of design · Reading a client brief · Measuring a room and recording site notes

Outcome: Explain a design brief and record accurate site measurements.

02

Technical Drawing and AutoCAD

Plans, sections and elevations · AutoCAD setup, layers and dimensions · Furniture blocks and title sheets

Outcome: Prepare scaled drawings of a room in AutoCAD.

03

Space Planning and Vastu

Circulation and zoning · Furniture layouts for homes and offices · Vastu principles on a floor plan

Outcome: Develop a functional layout that responds to the brief.

04

Design Styles, Materials and Lighting

Period and contemporary styles · Finishes, colour and textiles · Natural and artificial lighting plans

Outcome: Build a style board and a finish schedule for a space.

05

Design Project and Portfolio

Concept to final presentation · Client presentation practice · Portfolio review with faculty

Outcome: Present a complete interior project in a portfolio.
