ABOUT THE COURSE

What this course covers

This diploma covers exposure and composition, natural and studio lighting, photo editing and genre work including portrait, product and fashion photography. Assignments build a portfolio of your own images.

LEARNING OUTCOMES

By the end of the course you will be able to

- Control exposure and focus in manual mode
- Light subjects with natural and studio light
- Edit and retouch images to a professional finish
- Plan and deliver a commercial shoot

HOW YOU LEARN

Online, with structure and support

Recorded video lectures
Watch lessons at your own pace and revisit them whenever you need to.

Live interactive sessions
Scheduled sessions with faculty for questions, demonstrations and reviews.

Practical assignments
Hands-on tasks after each module so you practise what you learn.

Study material
Notes, reading lists and reference sheets for every module.

Projects
Module projects that build towards a final piece of work you can show.

Assessments
Quizzes and reviewed submissions to track your progress through the course.
