ABOUT THE COURSE

What this course covers

This short diploma covers show formats, research and scripting, voice and interviewing, recording and editing, and publishing on major platforms. You produce episodes of your own show during the course.

LEARNING OUTCOMES

By the end of the course you will be able to

- Plan a show format and episode outline
- Record clear audio at home or in a studio
- Edit and mix an episode
- Publish and promote a podcast

HOW YOU LEARN

Online, with structure and support

Recorded video lectures
Watch lessons at your own pace and revisit them whenever you need to.

Live interactive sessions
Scheduled sessions with faculty for questions, demonstrations and reviews.

Practical assignments
Hands-on tasks after each module so you practise what you learn.

Study material
Notes, reading lists and reference sheets for every module.

Projects
Module projects that build towards a final piece of work you can show.

Assessments
Quizzes and reviewed submissions to track your progress through the course.
