ABOUT THE COURSE

What this course covers

This diploma covers the foundations of psychology, human development, assessment basics and counselling skills, with a strong focus on ethics. It prepares you for supporting roles in schools, workplaces and wellness settings; it is not a clinical licence.

LEARNING OUTCOMES

By the end of the course you will be able to

- Explain key theories of human behaviour
- Describe human development across life stages
- Use basic counselling and listening skills
- Apply ethical principles in helping roles

HOW YOU LEARN

Online, with structure and support

Recorded video lectures

Watch lessons at your own pace and revisit them whenever you need to.

Live interactive sessions

Scheduled sessions with faculty for questions, demonstrations and reviews.

Practical assignments

Hands-on tasks after each module so you practise what you learn.

Study material

Notes, reading lists and reference sheets for every module.

Projects

Module projects that build towards a final piece of work you can show.

Assessments

Quizzes and reviewed submissions to track your progress through the course.

WHO CAN JOIN

10+2 in any stream

The admissions team confirms the latest eligibility during counselling.

WHAT YOU NEED

A smartphone or computer with a stable internet connection.

Some practical modules may need basic tools or software; these are explained before the batch starts.
